000010

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **June 16 through June 30, 2003**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

Project descriptions on both listings are organized by county: Imperial, Los Angeles, Orange, Riverside, San Bernardino, and Ventura. State plans and other multi-county plans, projects and proposals are grouped under the "Multi-County" heading at the beginning of the IGR Clearinghouse Report.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **July 15, 2003**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address: **Southern California Association of Governments**

Los Angeles, CA 90017-3435

Telephone: (213) 236-1800
Fax: (213) 236-1962

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

ANNOUNCEMENT

2002 Regional Transportation Improvement Program Amendment – The attached are the projects submitted by the six counties in the SCAG region for inclusion in Amendment #02-04 to the **2002 Regional Transportation Improvement Program**. This amendment also serves as review of projects included in the amendment that are funded with Federal Transit Administration formula Section 5307 funds. If you have any questions or comments concerning either program contact Mike Gainor at (213) 236-1983.

County of Los Angeles Department of Regional Planning

Bee Canyon Project, Project No. 02-249

Contact: Hsiao-ching Chen, (213) 974-6461

The Bee Canyon project is the proposed development of 556 factory-built housing units on approximately 211 acres; the State of California Department of Housing and Community Development will certify each of the project's factory-build housing units. The project will also include one recreation lot, six park lots, one flood control lot and eleven open space lots, three of which will be located within the functional natural habitat.

The proposed project site is located in the Santa Clarita Valley, in an unincorporated portion of Los Angeles County. It is bounded by the Antelope Valley Freeway (CA-14) on the north and Soledad Canyon Road on the west and south (easterly of Spring Canyon road); Agua Dulce Canyon Road is to the east of the project site. The project site is an irregularly shaped parcel of 211 acres, which contains Bee Canyon, a major northeast-southwest trending canyon with northeast and southwest trending ridges.

Date Received 6/18/2003 Date Comments Due 8/1/2003
Los Angeles Unified School District
Central Los Angeles Area New Learning Center No. 1
Contact: Cecilia Masson, (213) 633-8430

The purpose of the proposed Central Los Angeles Area New Learning Center #1, located at the Ambassador Hotel site (3400 Wilshire Boulevard), is to provide integrated educational facilities for children in grades K-12. The project will meet the growing demand for K-12 seats and relieve overcrowding at existing Belmont High School, Los Angeles High School, Berendo Middle School, Virgil Middle School and Hoover Elementary School. LAUSD proposes to provide 2,154 high school seats, 1,392 middle school seats and 825 elementary school seats to accommodate a total of 4,371 student on campus at one-time. The Learning Center facilities would include approximately 460,393 sq. ft. of building space, and would include 56 middle school classrooms, 91 high school classrooms and shared facilities such as an auditorium, library, football stadium, combined basketball/volleyball and tennis courts and outdoor pool.

Supplemental Draft EIR for the Grand Central Recycling and Transfer Station

Contact: Michael Kissell, (626) 333-2211

Grand Central Recycling and Transfer Station proposes to amend the existing Conditional Use Permit No. 99-2, which currently allows a daily tonnage capacity maximum of 1,500 tons per day (TPD). The proposed project would amend the daily tonnage capacity to a maximum daily capacity of 5,000 TPD. It is proposed that the facility reach full capacity by 2007. The project site is located in the southeastern portion of Los Angeles County in the center of the City of Industry. The project site is located east of Azusa Avenue and south of Valley Boulevard at the corner of Hatcher Avenue and Chestnut Street.

Notice of Preparation**I20030348**

Date Received 6/24/2003

Date Comments Due 6/30/2003

City of Pasadena

Ambassador Campus Planned Development

Contact: Brian League, (626) 744-6646

The proposed project of two parts, the West Campus comprised of approximately 31 acres on the west side of the 710 Freeway, and the East Campus comprised of approximately 12 acres located just south of old Pasadena. The West Campus is generally bounded by South Orange Grove Boulevard, Green Street on the north, St. John Avenue on the east, Del Mar Boulevard on the south. Green Street generally bound the East Campus on the north, De Lacey Avenue on the east, Del Mar Boulevard on the south and Pasadena Avenue on the west.

The proposed project calls for a not-to-exceed total of 1,431 residential dwelling units. The West Campus would be developed with a maximum of 696 residential units and would include the removal of a number of existing structures, including Ambassador Auditorium. The East Campus is proposed as a higher density residential neighborhood with a maximum of 735 new dwelling units.

Westchester - Playa del Rey Community Plan Update
Contact: Faisal A. Roble, (213) 978-1168

The project is the proposed update of the existing 1974 Westchester-Playa del Rey Community Plan and the refinement of the existing 1996 General Plan Framework Element to guide development through 2025.

The 35 Community Plans which comprise the Land Use Element of the Comprehensive General Plan are intended to promote an arrangement of land uses, streets, and services which will encourage and contribute to the economic, social and physical health, safety, welfare and convenience of the people who live and work in the Community. The Community Plans are also intended to guide development by informing the general public of the City's planning goals, policies and development standards. These goals, objectives, policies and programs are created to meet the existing and future needs and desires of the Community to create a healthful and pleasant environment.

California State University, Fullerton

CSU Fullerton 2003 Master Development Plan

Contact: J. Kim Apel, (714) 278-5758

The project is the adoption and implementation of the 2003 Master Development Plan. The Master Development Plan provides a framework for implementation of the California State University, Fullerton goals and programs by identifying needed facilities and improvements over the next seven years, through the year 2010. These facilities and improvements are needed to address existing capacity deficiencies, including modern laboratory space and on-campus housing for students, faculty, and staff, and to accommodate the projected enrollment of 25,000 full-time equivalent (FTE) students. CSU Fullerton main campus is located in northern Orange County near two freeways: State Route 57 (SR-57) and State Route 91 (SR-91). The campus encompasses 237 acres in the City of Fullerton and is generally bordered by

000020

SR-57 on the east, Nutwood Avenue on the south, State College Boulevard on the west, and Yorba Linda Boulevard on the north.

Date Received 6/27/2003 Date Comments Due 7/25/2003
Irvine Unified School District
Northwood High School Aquatic Facility
Contact: Lorrie Lujan, (949) 936-5308

The Irvine Unified School has prepared a Mitigated Negative Declaration for the construction and operation of an aquatic facility on the campus of Northwood High School. The facility would be developed within the northwest corner of the existing parking lot. The aquatic facility would house a 50 meter pool with a three foot six inch instructional area, a removable one meter springboard, 200-seat bleacher seating area, stairs at the pool entry with access lift, shower/locker/restroom facilities, shared lifeguard room with first aid station, City administrative office, maintenance office, storage room and separate City and school entrances. Northwood High School is located northeast of the intersection of Portola Parkway and Yale Avenue in the City of Irvine, Orange County.

Riverside County Waste Management Department
Lamb Canyon Landfill Expansion Project
Contact: Mirtha Purkart, (909) 486-3284

The proposed project involves revising the landfill's Solid Waste Facility Permit in order to: 1) increase the daily disposal capacity from 1900 tons per day ("tpd") to 3,000 tpd to accommodate waste from the Coachella Valley area; 2) expand the permitted landfill disposal footprint area from 137.8 acres to 144.6 allowing for expansion to the west of the existing footprint; 3) increase the overall disposal capacity of the landfill from 8.3 million tons to 13.5 million tons; and 4) expand the permit area for the landfill, ancillary facilities, and associated activities from 178.1 acres to 353.4 acres. The project is located at 16411 Lamb Canyon Road, off Highway 79 linking Interstate 10 to the north and Gilman Springs Road and Highway 74 to the south, between the Cities of Beaumont and San Jacinto, in unincorporated Riverside County.

Widening and Extension of Newport Road

Contact: Slavia Caric, (909) 955-6774

The County of Riverside Transportation Department proposes to widen a two-lane segment of Newport Road from Menifee Road east about 1,200 feet and to extend and realign Newport Road eastward from the widened segment to Winchester Road (State Route 79). The project is located in western Riverside County, approximately eight miles southeast of the City of Riverside, from about 1.9 miles east of Interstate 215 (I-215) at Menifee Road eastward to Winchester Road (State Route 79) at Domenigoni Parkway.

General Plan Amendment No. 655, Change of Zone No. 6764 and Tentative Tract Map No. 31194

Contact: Chris Stamps, (909) 955-2046

General Plan Amendment No. 655 is an application to amend the Sun City/Menifee Community Plan by removing the 1/2-acre minimum and Hills (10-Acre Min) land use designation and replacing with 2-4 dwelling units per acre. Change of Zone 6764 is an application to remove the existing R-A-1, R-A-5, A-1-1 and A-1-10 zoning classification and replace with R-1. Tentative Tract Map No. 31194 is application for a schedule "A" tract map that would subdivide 205-acres into 494 residential lots, 2 detention basin lots, 11 open space lots and 1 park lot.

000022

Generally located northerly of Scott Road, easterly of Murrieta Road, southerly of Garbani Road and westerly of State Highway 215 and more specifically described as being north of Wickerd Road and west of Ascot Way in the Sun City Zoning Area of unincorporated Riverside County, California.

City of Chino Hills

Fieldstone Communities - Chow Parcel - Tentative Tract Map 16487

Contact: Joann Lombardo, (949) 650-3206

The proposed Tentative Tract Map (TTM) 16487 would replace the existing Vesting Tentative Tract Map (VTTM) 15898, previously approved by the City of the project site known as the Chow Parcel. The new TTM 16487 proposes to redesign the existing plan to reduce the amount of grading and accommodate the latest federal water quality regulations, but retains the density and development character of the previously approved map. TTM 16487, similar to the existing map, would permit the development of 125 single-family units on the 150-acre site. Development would be clustered in the northern portion of the site, currently zoned R-S and permitting a residential density of 2.0-6.0 dwelling units per acre.

The site is located in the southeastern part of the City of Chino Hills, adjacent to and north of Chino Hills State Park, and southwest of the existing terminus of Soquel Canyon Parkway.

Ventura County Community College District
Ventura College Master Plan
Contact: Leslie J. Dickey, (805) 384-8117

In March 2002, Ventura County voters approved the issuance of bonds (bond Measure S) totaling \$356.3 million for construction and rehabilitation of campus facilities within the Ventura County Community College District (VCCCD). This money was earmarked for projects at each of the three community college campuses with the service area and for ancillary District projects. Of the total bond amount, roughly \$115 million was allocated to Ventura College. Specific projects identified for the Ventura campus include completion of the Learning Resource Center/Library, construction of new classrooms, labs, and lecture halls for various educational and technical programs, upgrades to existing electrical and utility systems, renovations to the Auditorium, athletic facilities and auxiliary buildings, and various parking improvements.

The project site consists of the entire Ventura College campus, which contains approximately 112 acres in the City of San Buenaventura, Ventura County.

CLEARINGHOUSE REPORT

July 1 through July 15, 2003

000124

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period July 1 through July 15, 2003. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

Project descriptions on both listings are organized by county: Imperial, Los Angeles, Orange, Riverside, San Bernardino, and Ventura. State plans and other multi-county plans, projects and proposals are grouped under the "Multi-County" heading at the beginning of the IGR Clearinghouse Report.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to July 31, 2003. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Gold Line Phase II Extension

Contact: Susan Hodor, (626) 799-8599

The purpose of the proposed action is to improve east-west mobility across the 24-mile long corridor in the San Gabriel Valley, to relieve congestion on existing transportation facilities, to increase connections to work and educational destinations within the San Gabriel Valley and the Los Angeles region, to support economic revitalization in each city along the corridor, and contribute to the preservation and enhancement of the natural environment. The corridor includes the cities of Pasadena, Arcadia, Monrovia, Duarte, Irwindale, Azusa, Glendora, San Dimas, La Verne, Pomona, Claremont, and Montclair; and is located in Los Angeles and San Bernardino Counties.

Los Angeles International Airport Proposed Master Plan Improvements

Contact: David B. Kessler, AICP, (310) 725-3615

This Supplement addresses the potential environmental impacts of a new alternative (Alternative D) for the further development of Los Angeles International Airport. Alternative D focuses on enhanced safety and security while not expanding the passenger and cargo capacity of the airport beyond that which would occur under the No Action/No Project Alternative by the year 2015. Alternative D includes construction of new parallel and connecting taxiways between each pair of runways, on both the north and south sides of the airport, in addition to construction of the following:

- Ground Transportation Center
- Parking Garages
- Redeveloped Central Terminal Area
- Satellite Concourse
- Consolidated Rental Car Facility
- Automated People Mover System
- On-airport Surface Roads
- Connection to the Metro Green Line Station
- Intermodal Transportation Center

These improvements would require the acquisition of approximately 77-acres of land.

One option for surface traffic mitigation includes modifications to Interstate Highway 105 (Century Freeway) and to Interstate Highway 405 (San Diego Freeway) in the vicinity of the airport. Modifications or changes to the Federal Interstate Highway System require approval of the Federal Highway Administration.

Zoning Code Amendment, Project No. 0003(1)-ZCA

Contact: Marc Castagnola, AICP, (626) 403-7227

The proposed project is a Zoning Code amendment to correct a series of miscellaneous housekeeping items such as common typos and numbering errors, to clarify the development standards affecting detached accessory structures, and to address increase in area of legal nonconforming structure for reason of insufficient off-street parking. Specifically the proposed code amendment addresses the setback and height of accessory structure within the side and/or rear yard setback, and may permit an increase in area of a legal non-conforming structure for reason of insufficient off-street parking. The code amendment would be a citywide project.

State Route 79 Project: Hunter Road to Thompson Road EA #39082

Contact: Laurie Dobson Correa, (909) 955-2016

The project considered under Environmental Assessment No. 39082 consists of the widening of State Route 79 North (Winchester Road) from two to four lanes between Hunter Road and Thompson Road, a distance of 2.5 miles. Pavement will be widened in between four traffic signals at Hunter Road, Auld Road, Benton Road and Thompson Road where turn lane widening will have already occurred. Minor drainage improvements consisting of culvert extensions will also be constructed. The project is located in southwestern Riverside County north of the City of Temecula and east of the City of Murrieta.

City of Redlands Community Development Department

Amendment to the Redevelopment Plan for the Redlands Redevelopment Project

Contact: John Jacquess, (909) 798-7555

The Redlands Redevelopment Agency has prepared a Subsequent Program Draft EIR to assess the potential environmental impacts associated with the adoption and implementation of a proposed Amendment to the Redevelopment Plan for the Redlands Redevelopment Project. The Amendment proposes the re-establishment of eminent domain power to the City of Redlands Redevelopment Agency for the acquisition of residential property within the Redlands Redevelopment Project Area. The Project Area extends from downtown Redlands at Church Street west to Alabama Street, south of the Interstate 10 Freeway (I-10) to Vine and Pine Streets, north of I-10 near the I-10/State Route 30 (SR-30) interchange to Lugonia Avenue on both sides of SR-30, and along the south side of Colton Avenue.

Specific Plan for the Development of State Surplus Property and Amendment to the Redevelopment Plan for the Merged Chino Redevelopment Project Area

Contact: Sal Salazar, (909) 591-9812

The proposed project consists of three distinct elements: (1) Recreation, (2) Chaffey Community College Campus, and (3) Master Planned Community. The goals of the project is to develop a premier living environment, designed on the principles of "smart" development, including efficient use of land resources, full use of urban services, mix of uses, transportation options, and detailed human scale design that is unique because of its accessibility to regional, educational and recreational opportunities.

North Rialto Distribution Warehousing Project

Contact: Gina Gibson (Rialto), (909) 421-7240

Within the project site, the proposal provides for necessary site preparation and grading, and construction of new warehouse distribution facilities totaling approximately 3.3 million square feet. The project also provides for employee and truck trailer parking areas, designated outdoor storage areas, landscaping, screening, and all supporting roadway and infrastructure improvements. The project site is located within westerly San Bernardino County in the City of Rialto. Located in the northerly portion of the City, the project site is bounded by the City of Fontana to the west, and lies approximately one-mile north/northeasterly of the Sierra Avenue/State Route-210 (SR-210) interchange.

Chaffey Community College District

Chaffey Community College

Contact: Debbie Builder, (818) 879-1100

Chaffey Community College (CCC) is located within the City of Rancho Cucamonga in San Bernardino County. The 200-acre campus of Chaffey College is located in the north central portion of Rancho Cucamonga. The objective of this Campus Master Plan is to support the anticipated instructional courses, programs, and services of the College for at least the next decade. The Campus Master Plan is intended to facilitate modernizing the existing campus facilities and provide for future facilities to meet the planned growth of the College. To meet this objective, the Campus Master Plan involves a reorganization of campus facilities including new and renovated facilities and reconfiguration of campus access and circulation.

City of Rialto

Highland Avenue Detour Project

Contact: Gina Gibson (Rialto), (909) 421-7240

The City of Rialto and the San Bernardino Associated Governments is preparing to construct street improvement. The purpose of the project is to provide an adequate detour for the segment of Highland Avenue between Riverside Avenue and Ayala Drive that will be closed during construction of Segment 9 of SR-210, as well as to provide improvements consistent with the City's General Plan Circulation Element. The alignment of the new freeway is along existing Highway Avenue between Sierra Avenue and Acacia Avenue.

Regency Centers Falcon Ridge Town Center

Contact: Charles Fahie, (909) 350-6724

The proposed project is a subregional retail shopping center that provides a full range of commercial businesses, including general retail stores, a supermarket, a drugstore, a bookstore, restaurants (both sit-down and fast-food), and neighborhood shops. The project would include a major anchor store (123,735 square feet) in the north-central portion of the site, parking for the anchor store adjacent to the western border, a series of stores arching to the west, a second project component to the east, one sit-down restaurant, and fast-food restaurants. The proposed project is located in the northwestern portion of the City of Fontana. The project site is east of Interstate 15 (I-15) and north of Summit Avenue.

City of Moorpark

Draft Program EIR for Specific Plan No. 2001-01: North Park Village and Nature Preserve

Contact: David A. Bobardt, (818) 548-2140

The proposed Specific Plan project would allow for the development of 1,650 residential dwelling units on 769.7 acres of the 3,586.3-acre site. Other proposed related and supporting uses would include a 5-acre neighborhood commercial center, a 12-acre school site, a 29.1-acre public youth sports park, 2 additional public parks, 10 private parks, a 52-acre publicly accessible lake, a fire station site, a day car/church site, 423.4 acres of open space, and a 2,121-acre nature preserve. Ancillary land uses would include, but are not limited to, water reservoirs, detention basins, and a fire service heliport.

The proposed Specific Plan is located in an unincorporated area of eastern Ventura County immediately north of the City of Moorpark municipal boundaries, generally north of Moorpark College and the State Route 118 freeway and south and east of Happy Camp Canyon Regional Park.
